PROJECT SPOTLIGHT

Table Rock Career Center
Reeds Spring, MO

OVERVIEW

This state-of-the-art career center expands college and career readiness for local students. Deep Dek® allowed for large, open spans in this structure. These larger structural bays helped create shop and lab spaces that are flexible for reconfiguration, meeting the needs of evolving education programs.

NEW MILLENNIUM PRODUCTS

- **Steel Joists:**
K-Series and Joist Substitutes
- **Composite Deck:**
1.5 and 3.0 Composite Deck Deck
- **Roof Deck:**
Deep-Dek® 6.0, Deep-Dek® 6.0 Acoustical and B Deck
